

God's Love's Everywhere in the World
Words and Music By: Ed Newman

As I walk through the fields, I see God's beauty all around.
From birds up in the sky down to the creatures on the ground
In this everchanging world, God's Glory can be found
God's love is everywhere in the world

There's beauty everywhere you go, in mountains high and valleys low.
God's love is everywhere in the world
In babbling brooks and sparkling streams, in sunsets red and forests greens
God's love is everywhere in the world

At times I think about my past, the sin and shame that I have known
I'm amazed by how God cares and by the mercy that He's shown
By grace alone I have been saved, through faith in Christ and Him alone
God's love is everywhere in the world

His healing grace is there for you, just ask and then you'll know it's true
God's love is everywhere in the world
Confess your sins; give Christ your cares, read His Word then go and share
God's love is everywhere in the world

Confess your sins; give Christ your cares, accept His grace then go and share
God's love is everywhere in the world
